## VEGGIE GARDENS | 2023

### Basic Garden Plan

Knowing what to plant where can be daunting! Let us demystify timing, plant spacing, companion planting, and more. We create garden plans using the same skills organic farmers use to maximize growing space, so you can grow more food than you thought possible. We schedule an initial 30 minute virtual meeting with you to gather information about your garden and your crop preferences. Then we follow up within two weeks with your completed design. Bonus gift: Our planting calendar and crop succession guide!

Starts At  
**\$250**

Email [emily@edibleedenfoodscapes.com](mailto:emily@edibleedenfoodscapes.com) to book your session at any time of the year!

### Advanced Garden Plan

When you purchase an advanced plan, we dive deeper into soil and plant health, and look beyond the 2023 growing season. In addition to a designing a garden plan for one full growing season, we lay out a three year crop rotation plan. A crop rotation plan is essential to maintaining soil fertility and curbing pest and disease issues in the future. We also visit your property to take a soil test and interpret the results to create a custom fertilization plan for your crops. Like the basic plan, we start with a 30 minute virtual meeting to gather information about your garden and your crop preferences. After receiving your soil test results, we follow-up with your completed design package within two weeks. Bonus gift: Our planting calendar *plus* our 15 page guide to common vegetable pests in Maryland!

Starts At  
**\$500**

Email [emily@edibleedenfoodscapes.com](mailto:emily@edibleedenfoodscapes.com) to book your session at any time of the year!

*Note: You must have an existing vegetable garden. Additional fees apply to gardens larger than 100 square feet. For the advanced plan, a distance fee may apply to take the soil sample.*

## Seasonal Plant-Out

Feeling overwhelmed by a weedy garden? Want a fresh start to a season? When you book a plant-out, we show up with all the plants and materials needed for a seasonal rejuvenation. Watch your garden transform as we clean up debris, remove old infrastructure, amend your soil with organic fertilizers, and plant seeds & seedlings according to your crop preferences. For the best selection of crops, please reach out by the booking deadlines outlined below.

Starts At  
**\$400**

Please reach out to [emily@edibleedenfoodscapes.com](mailto:emily@edibleedenfoodscapes.com) by **March 1st** for a spring plant-out, **May 1st** for a summer plant-out, and **August 1st** for a fall plant-out

*Note: We use the size and state of your garden, in addition to your location, to formulate a custom price. Does not include semi-permanent infrastructure such as hoops & row cover and tomato cages.*

---

## In-Person Garden Coach Session

Schedule a one-on-one coaching session to get expert eyes on your growing space. One of our experienced backyard farmers will spend up to an hour and a half with you performing a site analysis of your existing vegetable garden, providing education on Baltimore's growing seasons, and suggesting areas for garden improvements. We bring materials to demonstrate tasks. Additional materials and plants may be available for purchase. After our session, we will email you a detailed summary of what we discussed, providing links to recommended products and outlining next steps for garden success!

Starts At  
**\$250**

Email [emily@edibleedenfoodscapes.com](mailto:emily@edibleedenfoodscapes.com) to book your session at any time of the year!

*Note: Additional fees apply based on distance.*

---

## Virtual Garden Coach Session

Need help, but don't have time to host us on-site? Phone a farmer! Hop on a virtual call with one of our backyard farmers to discuss any and all questions you currently have about your vegetable garden. We'll share our knowledge on pest and disease control, irrigation, garden protection, what to grow, how to fertilize, and more. After our session, we will email you a detailed summary of what we discussed, providing links to products and outlining next steps for garden success!

30 minutes  
**\$95**

60 minutes  
**\$190**

Email [emily@edibleedenfoodscapes.com](mailto:emily@edibleedenfoodscapes.com) to book your session at any time of the year!
